

DTCare Empowers At-Risk Communities Globally with a Mission to Make a Difference

PITTSBURGH, PENNSYLVANIA, UNITED STATES, September 6, 2023

/EINPresswire.com/ -- [DTCare](#), a 501(c)(3) tax-exempt public charity founded in 2019, is pleased to announce its commitment to impacting at-risk communities worldwide.

Operating from its headquarters in the United States, DTCare designs and implements short-, medium-, and long-term programs tailored to the unique needs of at-risk groups – particularly with a focus on emergency and [humanitarian aid](#), mental health support through art therapy, and breaking down barriers to quality education. The organization's regional offices are strategically based in Bosnia and Herzegovina, Ukraine, Lebanon, Panama, South Africa, and Zimbabwe, enabling rapid response and support where it is needed most.

To maximize its impact and efficiency, DTCare welcomes donations of medical equipment, mobility aids, emergency supplies, children's items, school materials, educational and STEM toys, and arts and crafts supplies, all of which are distributed year-round free of charge to those in need in Lebanon, Ukraine, and Panama.

DTCare plays a vital role in Lebanon by collecting essential medical equipment, mobility aids, food, and baby supplies from its location in Pittsburgh, PA, for transport and distribution to Lebanese hospitals and free community clinics. This assistance includes items such as wheelchairs, crutches, hospital beds, and adult and baby diapers, significantly easing the strain on healthcare facilities and contributing to the nation's well-being.

In response to the war in Eastern Ukraine, DTCare collaborates with frontline field hospitals, accepting vital emergency health supplies and donations of physical and occupational therapy equipment. Furthermore, in Panama, hospice supplies are delivered to individuals and medical centers, with donations of hospital beds, mobility aids, and adult diapers being warmly welcomed.

DTCare's commitment to education is evident through the collection of new and gently used school supplies, backpacks, shoes, and more. This support extends to its free pre- and

elementary school in Monte Lirio, Panama, which serves underprivileged children aged 3-15, providing access to quality education. Additionally, 14 orphanages in Western Ukraine receive supplies, tools, therapy aids, and psychological support, enabling children to heal and overcome trauma.

At its very core, DTCare's global mission is made possible through generous individual and corporate donors, as well as impactful partnerships with organizations, including Airlink, The Rotary, Brother's Brother, Global Links, Days for Girls, Colossal, DTGruelle, Concurrent Technologies Corporation, Concordia Medical Equipment, and The Sunflower Project.

[Supply donations](#) can be made daily from 9 AM to 5 PM EST at DTCare's headquarters at 301 Moon Clinton Rd, Moon Township, PA 15108, USA, or, for coordination of large donation pick-ups, please email info@dtcare.org. For financial support, visit www.dtcare.org/donate to explore donation options, including via its website, PayPal, check, or direct deposit.
