HOUSTON, TX, UNITED STATES, September 6, 2023

/EINPresswire.com/ -- aBreak Music, the leading international indie artist discovery platform, announced that 'Love Marks' by Coulter Lee Brown & the Bad Habits, has risen to the top spot on the aBreak58. Check it out at abreakmusic.com

“

When the team played 'Love Marks' for Jay Stevens and I, we knew it was going to have a great run. We are thrilled to play a vital role in getting Coulter Lee Brown the kind of exposure he deserves.”

Bruce Tyler, CEO of aBreak Music

Coulter Lee Brown is a lyricist, guitarist, recording artist, and performer from Houston, TX. He and his Bad Habits live in the cracks between genres. A vintage sound that nods to his influences — blues-drenched rock & roll, electrified Americana, wailing soul, R&B, funk-inspired pop — while still breaking new ground, pushing Coulter into art that is uniquely his own. Be on the lookout for his latest EP, releasing this November.

“Having 'Love Marks' claim the #1 spot on the aBreak58 is incredible,” says Coulter Lee Brown. “It’s truly insane to me that a song written in a basement and recorded in a closet can reach this level, and it’s all thanks to the team at

aBreak Music, who are giving indie artists a voice - especially in the current music market where it feels like everyone is shouting to be heard.”

Every two weeks, aBreak Music releases their [aBreak58 playlist](https://abreakmusic.com/aBreak58-playlist), featuring the Top 58 songs uploaded from indie artists, representing multiple genres from around the world. These songs are then rotated on what has become the most influential radio station for indie artists, the aBreak58.

“The chorus in this song is killer, performed by an elite musician,” said Bruce Tyler, CEO of aBreak Music. “When the team played 'Love Marks' for Jay Stevens and I, we immediately knew it was going to have a great run. We at aBreak are thrilled to be playing a vital role in getting Coulter Lee Brown the kind of exposure he deserves.”
