Nimble Global Logo

Owned Company founded in 2019, has announced the rollout of its next-generation RFX services. Setting new standards in Contingent Workforce Management, Nimble Global is uniquely positioned to offer genuinely independent, client-first advice, unswayed by industry affiliations or 'pay-to-play' practices.

Our RFX services go beyond just solving everyday challenges; they represent a paradigm shift in how companies manage vendor relationships, powered by our unwavering commitment to unbiased consulting.”

*David Ballew, CEO*

## Who Stands to Benefit?

Nimble Global’s new RFX services are designed to benefit Procurement, Human Resources (HR), and Talent Acquisition (TA) professionals across multiple sectors, including Automotive, Finance, Healthcare, IT, Oil & Gas, and Retail, among others.

## Unique Selling Proposition

The cornerstone of Nimble Global's success is its unbiased consultancy. The firm maintains strategic partnerships with industry-leading technologies and service providers,

enhancing consulting capabilities without compromising the core principle of unbiased, client-first service.

Key Features and Details:

RFI - Request for Information

The Challenge: Information gathering is often a time-consuming and resource-intensive first step.

Nimble's Solution: Industry-specific questions and criteria to ensure a comprehensive dataset, helping businesses make informed decisions from the get-go.

RFQ - Request for Quote

The Challenge: Hidden costs often cloud financial evaluations.

Nimble's Solution: Detailed analysis and comparison of quotes, accounting for both upfront costs and long-term ROI, eliminating any ambiguities.

RFP - Request for Proposal

David Ballew, CEO

The Challenge: Existing market solutions offer limited comparability metrics.

Nimble's Solution: Custom RFP templates and evaluation criteria to ensure you're comparing apples to apples when selecting a vendor.

RFS - Request for Solutions

The Challenge: Businesses often settle for off-the-shelf solutions due to a lack of innovative options.

Nimble's Solution: Frameworks that promote vendor creativity, ensuring that you receive tailor-made solutions to unique business challenges.

Unparalleled Benefits:

- Preservation of Integrity: No compromises on existing relationships with MSPs and technology partners.
- Cost Savings and ROI: Financial alignment with market rates and long-term ROI.
- Technology-Enabled: Complete data security and maximized participant engagement.
- Unbiased Decision-Making: Data-driven methodologies for transparent selections.
