

LenderDock partners with McMillan Warner Mutual Insurance

SALT LAKE CITY, UTAH, USA, September 6, 2023 /EINPresswire.com/ -- [LenderDock](#) Inc., the leading provider of online Property and Casualty Insurance policy verification and automated lienholder process management services, is pleased to announce a new partnership with McMillan Warner Mutual Insurance Company.

"McMillan Warner is a carrier that takes the service and support of their customers seriously and has committed to improved processes and automation to help drive efficiency and savings. We are excited to be partnering with them and supporting their goals," said Frank Eubank, LenderDock's CEO.

McMillan Warner will take full advantage of LenderDock's [Notifi](#)[™] solution. Notifi[™] is a system that facilitates the exchange of insurance information among a variety of parties including insurers, lenders, leasing companies, government agencies, and trackers. Insurance companies send electronic files to LenderDock, which then distributes the insurance information to its trading partners either through electronic means or via paper, as per the trading partners' preferences or capabilities.

About McMillan Warner Mutual Insurance Company

McMillan Grange Mutual Fire Insurance Company was organized on the 28th day of May 1898. A board of nine members was elected and from the nine a President, Vice President, and Secretary-Treasurer were chosen.

On April 30, 1982, the company merged with the Warner Mutual Insurance Company; and therefore, the name was changed to the present name McMillan Warner Mutual Insurance Company.

McMillan Warner Mutual Insurance Company is a policyholder owned domestic non-assessable

mutual insurance company.
