When embracing a marketplace strategy, maintaining the right mindset is essential to craft unique benefits for our valued clients. YHSGR Advantage sets out to do just that.

Modern Solutions for Buying Real Estate:

Homeownership is a dream that comes with numerous benefits, including stability, generational wealth, access to quality education, and support for housing equality. However, today's buyers face unprecedented challenges, including rising mortgage rates and a shortage of available homes. YHSGR Advantage is here to empower buyers to overcome these obstacles and secure their dream homes.

1. **Cash Offers:** YHSGR Advantage enables clients to submit fully backed cash offers, which are four times more likely to be accepted than financed offers. Not only does this save an average of 12% off the list price of a home, but it also provides clients with the confidence of a quick and

accepted offer.

2. Homeownership Accelerator: Clients can now move into their dream homes without a down payment or excellent credit score. The Homeownership Accelerator program allows clients to rent their desired home while receiving personalized financial coaching, all with the goal of helping them become homeowners.
3. Home Warranty: Protect your investment with our comprehensive home warranty program. Ensure peace of mind knowing that your home's repairs and maintenance are covered and easily managed for the long run.

Modern Solutions for Selling Real Estate:

YHSGR Advantage also caters to sellers, offering innovative solutions to streamline the selling process and maximize profits.

1. Modern Bridge: Sellers can settle into their new homes before selling the old ones, allowing them to prepare and stage their houses for the best presentation. This saves time, money, and the hassle of managing two mortgages.
2. Instant Sale: Speed and certainty are paramount in real estate. YHSGR Advantage partners with iBuyers to provide clients with a quick, efficient, and guaranteed sale of their homes, all in cash.
3. Listing Concierge: Take the stress out of pre-sale renovations with our trusted partners who can manage and source vendors for necessary upgrades. Clients pay for renovations at the sale of their homes, ensuring maximum profit with minimal effort.
