Mission43 to Host the 9/11 Miles of Remembrance Run in Downtown Boise

Every year, Mission43 conducts the 9/11 Miles of Remembrance 5K on September 11th to pay tribute to the heroes who lost their lives during the tragic terrorist attacks of September 11th, 2001. The free event aims to create an inclusive environment, embracing participants of all physical abilities, ages, and backgrounds.

"We invite individuals and families from all corners of the Treasure Valley to come together, strengthen the bonds of our community, and share in a collective expression of remembrance," said, Dan Nelson, Program Director at Mission43. "Whether you're an avid runner, a casual walker, or riding a handcycle, the 5K route along the scenic Boise River Greenbelt welcomes everyone."

Founded on the belief that veterans and their families continue to have a tremendous impact on our communities even after their military service, Mission43 empowers them through education, employment, and other opportunities to help them thrive in civilian life.
