

Benchmark Gensuite® Wins 2023 Top Workplaces Industry Awards in Technology Category

Benchmark Gensuite has been recognized as a 2023 Top Workplaces Industry Award Winner in the Technology Category at the national level.

CINCINNATI, OHIO, UNITED STATES, September 7, 2023 /EINPresswire.com/ -- Benchmark

In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."

Eric Rubino, Energage CEO

Gensuite®, provider of the industry-leading platform of digital Environmental Health & Safety & Sustainability solutions, has been recognized as a [2023 Top Workplaces Industry Award Winner in the Technology Category](#) at the national level.

The 2023 Top Workplaces National Industry Awards rely on a confidential employee engagement survey underpinned by solid research. Companies taking part undergo assessments using the industry's most comprehensive benchmarks based on over 17 years of in-depth cultural

research. The survey results are issued by Energage, a leading provider of technology-based employee engagement tools with 16 years of proven experience surveying over 27 million employees at 70,000 organizations.

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."

Benchmark Gensuite is made up of a global team prioritizing sustainable work culture by leveraging the right tools and resources. As a company that values diversity, quality, philanthropy, growth, and innovation, Benchmark Gensuite thrives for workplace excellence, innovation, and employee satisfaction. Our members have the tools, resources, and space to advance their careers and lead full and satisfying lives.
