

# AVer Europe Joins Q-SYS Technology Partner Program

*AVer Europe has joined the Q-SYS Technology Partner Program, enabling integration with Q-SYS, a cloud-manageable audio, video, and control platform.*

ROTTERDAM, NETHERLANDS, September 7, 2023 /EINPresswire.com/ -- AVer Information Europe B. V., an award-winning provider of education technology and Pro AV solutions, today announces it has joined the [Q-SYS](#)

Technology Partner Program. This program enables software and hardware technology partners to create market-ready solutions that integrate seamlessly with Q-SYS, a cloud-manageable audio, video, and control Platform.

As part of the program, AVer has worked closely with Q-SYS, who has fully vetted and endorsed the following plugin integrations with a Q-SYS Ready badge (developed by AVer and verified by Q-SYS):

The AVer Q-SYS Plugin for PTZ Cameras is specially created for Q-SYS Designer Software, providing simple, direct control of AVer Pro AV Cameras and Auto Tracking functions. This Camera Control Plugin is recognized as a Q-SYS Ready integration and helps people in the Pro AV industry to deliver more video recording and live streaming possibilities.

"Our [partnership](#) with Q-SYS represents a significant milestone in our mission to deliver cutting-edge solutions to our customers. Together, we are not just integrating technology; we are orchestrating seamless experiences! This collaboration is a testament to our commitment to providing excellence in AV solutions."

- Rene Buhay, SVP Sales & Marketing, [AVer Europe](#)

"We are proud to have AVer join our program and work collaboratively with us on a plugin integration that will enable elevated experiences across our shared customers," says Geno

AVer Europe and Q-SYS Partnership

Zaharie, Principal, Alliances & Ecosystem, Q-SYS.
