optimize our referral program and the goal of generating more referrals and more rewards for our Advocates."

GTR's Referral Program is easy to use. Here's how it works:

1. A GTR Advocate refers a solar, roofing, or home services company to GTR.
2. The referred company meets with a GTR team member. The referral becomes Qualified once the meeting has been completed.
3. The Advocate receives a \$50 reward for each Qualified Referral.
4. When a referred company becomes a GTR client, the Advocate receives another \$250 reward for each Sold Referral.
5. For every 3 Sold Referrals, the Advocate receives an additional \$250 bonus reward.

There is no limit to the number of referral rewards or referral bonuses that can be earned by GTR Advocates.

"Our referral program is a win-win for everyone involved," said Jamey Vumback. "And anyone can [become a GTR Advocate](#). Advocates earn rewards for referring companies within their network that would be a good fit for GTR. They're earning cash rewards for helping other businesses grow by getting more referrals.
