

Wylder Unveils New Model Homes at Bristol in St. Lucie County

GreenPointe Developers, LLC has just announced the grand opening of six new model homes by Meritage Homes and Lennar within Bristol at Wylder.

PORT SAINT LUCIE, FLORIDA, UNITED STATES, September 8, 2023

[/EINPresswire.com/](https://www.einpresswire.com/) -- GreenPointe Developers, LLC has just announced the grand opening of six new model homes by Meritage Homes and Lennar within Bristol at Wylder. As one of St. Lucie County's newest master-planned communities, the residential collection is open daily for tours and is located just west of I-95 between Midway and Glades Cut-Off Road. The designer-decorated models are the first to open in the community's first single-family home neighborhood, Bristol.

Bristol's builders, Meritage Homes and Lennar, have introduced a distinctive assortment of home designs within the neighborhood. Each model home serves as a showcase for the open-concept layouts, innovative features, and versatile spaces that characterize the residences at Bristol. Lennar's model homes feature four of the nine available floorplans, including the Raleigh, Columbia, Alexia, and Hartford designs. Meritage Homes' Jade and Corsica model homes are on display, with six total floorplans available to choose from.

“The unveiling of these model homes by Meritage Homes and Lennar marks a significant milestone for the Wylder community,” said Austin Burr, GreenPointe’s Regional President in South Florida. “Bristol at Wylder has already earned the admiration of homeowners by seamlessly integrating with its natural surroundings, offering a fresh lifestyle that’s hard to find in South Florida. We look forward to welcoming new residents in the near future.”

Priced from the upper \$300s, residences within Bristol are already in the advanced stages of construction and sales are well underway. The two builders present a comprehensive collection of 15 floorplans in total. These designs span from approximately 1,500 to 2,800 square feet of air-conditioned living area, offering three to four bedrooms, two to three bathrooms, and two to three car garages. Many of Bristol’s home sites will provide picturesque views of the surrounding lakes and preserves.

Future residents of Bristol will also enjoy an amenity center reserved for the exclusive use of residents and their guests. The center is planned to include a beach-entry pool, fitness center, pickleball courts, dog park, playground, and more. Community-wide amenities will promote a healthy, walkable lifestyle, including lakefront recreation areas, multi-use paths, and pocket parks. The Bristol amenity center is anticipated to break ground in the fall of 2023.
