Shacket proudly present the New York premiere of Patrick Olson's groundbreaking conceptual performance, EMERGENCE. This thought-provoking experience will captivate audiences at The Alice Griffin Jewel Box Theater at The Pershing Square Signature Center at 480 West 42nd Street at Jim Houghton Way. Performances begin on October 10, with the opening night on October 25, 2023, for a limited engagement concluding on January 7, 2024

EMERGENCE is a revolutionary theatrical experience led by Patrick Olson that stands at the intersection of art, science, and music. It defies conventional boundaries, pushing the limits of creativity and intellect and expanding the horizons of both performers and spectators alike. EMERGENCE is an invitation to embark on a transformative journey where the realms of knowledge and artistic expression intertwine, and things are not as they seem.

Part music, part monologue, part science journey, part rock concert, part psychedelic trip, EMERGENCE explores the deepest aspects of the human experience with a riveting dive into the domain between science and art – uplifting, emotionally powerful, and revelatory. Audiences will be immersed in live, original music, highlighted by a dynamic ensemble of musicians, singers, dancers, and stunning visual effects with an arena-level sound that merge seamlessly while asking big, bold questions. EMERGENCE deals with time, matter, energy, human perception, and love, and challenges our human tendency to think in convenient shortcuts when observing the world around us. It is where the deepest realities of the natural world, cosmology, consciousness, and meaning await us all.

EMERGENCE ASKS? "Are we alive? How did we get here?" "What is the nature of time?" and "Where does human love originate?"

EMERGENCE sold out its limited run in Los Angeles, where it was called :

" An out-of-body experience that connects you to the world around you."

"Mind-boggling. It challenges your perception of life on this planet."

"EMERGENCE encourages you to question and explore, bringing you closer to your humanity and a greater sense of purpose "

"An unparalleled awakening of the spirit that you cannot afford to miss."

Mr. Olson is joined on stage by an amazing collection of artists, including vocalists Cherry Davis, Samara Brown, Miya Bass, and Bella Kosal; musicians Steven Styles (Bass/ Band Leader), Nadav Hezi (Guitar), Jordan Coker (Drums), Thomas Nickell (Keys), and the dancers include Summer Sheldrick, Dana Liebezeit, and Lavy Cavaliere.

EMERGENCE is set to begin previews on October 10, 2023, and will officially open on October 25 at The Alice Griffin Jewel Box Theater at The Pershing Square Signature Center, through January

The Pershing Square Signature Center, the permanent home of Signature Theatre, is a three-theatre facility on West 42nd Street and Jim Houghton Way designed by Frank Gehry Architects to host Signature's three distinct playwrights' residencies and foster a cultural community. The Center is a major contribution to New York City's cultural landscape and provides a venue for cultural organizations that supports and encourages collaboration among artists throughout the space. In addition to its three intimate theatres, the Center features a studio theatre, rehearsal studio, a bookstore, and the Signature Café + Bar. For more information on renting the Center, please visit www.signaturetheatre.org/rent-our-space. Emergence is not a production of
