

VoDaVi Technologies Partners with New England School Districts in E-Rate Funded Technology Projects

VoDaVi Technologies, LLC, an industry leading provider of Business & Education Technology Solutions awarded nearly \$2M in E-Rate Solutions in 2023 Season.

NEW ENGLAND, MASSACHUSETTS, UNITED STATES, September 12, 2023 /EINPresswire.com/ -- [VoDaVi](#)

Technologies, LLC (VoDaVi) has been awarded nearly \$2M in Information Technology (IT) Projects and Managed Internal Broadband [Services](#) (MIBS) also known as "Managed IT Services" to upgrade and support Schools Districts across New England. The contracts represent nearly double the [E-Rate](#) revenue that VoDaVi was awarded during the 2022 calendar year and demonstrates VoDaVi's heightened focus on their K12 partnerships.

Chris Friel, President, and CEO commented, "What brought VoDaVi here is our team's passion for technology and the desire to do better for our surrounding school districts. These new E-Rate opportunities allow VoDaVi to address simple to complex connectivity issues and design customized best-in-class solutions to create exponentially faster and secure infrastructures at a fraction of the cost."

These contracts include a range of MIBS "Managed IT Services", Structured Cabling, Fiber Optics, Wired and Wireless Infrastructure upgrades, Security Solutions, and much more. Being an end-to-end IT solution provider, VoDaVi is well equipped to handle any size project from start to finish, allowing clients to streamline communications and trust that their IT project is in good hands.

VoDaVi has a resolute customer success team devoted to finding the best solutions for our clients. With over a decade of experience within the education sector, VoDaVi has a unique
