Cong Catchers: A Soldier's Memories of Vietnam is a memoir by Lee Halverson, a former U.S. Army infantryman who served in the Vietnam War from 1969 to 1970. The book provides a personal account of Halverson's experiences during his almost yearlong tour of duty

in Vietnam where he served as a member of the 1st Cavalry Division. This is a first-hand account of the daily life of an infantryman in Vietnam, including the physical and mental toll of living in a war zone, the fear and uncertainty of combat, and the sacrifices made by soldiers and their families. He offers a candid and honest assessment of the war and its legacy, drawing on his own experiences and insights to provide a unique and personal perspective.

In *Cong Catchers*, Halverson shares his views on the challenges and hardships of combat as well as the camaraderie and brotherhood that developed between the soldiers who fought together. Throughout, Lee Halverson also reflects on the impact of the war on himself and his fellow soldiers, as well as the broader social and political implications of the conflict. This is a compelling and emotional memoir that provides a valuable glimpse into the realities of war and the experiences of the soldiers who fought in Vietnam. Halverson's writing is clear and concise, and his story is both informative and thought-provoking. This is an excellent resource for anyone interested in learning more about the Vietnam War, or for those seeking a deeper understanding of the experiences of the soldiers who fought in it."
