WESTCHESTER, PA, USA, September 11, 2023 /EINPresswire.com/ -- [FlipLok](#), the patented safety device for homes, businesses, and schools, will be showcased on [QVC](#)'s It Takes Two with Mary & Sandra on Tuesday, September 12, 2023, from 2:00pm - 4:00pm Eastern.

Founder [Anna Reger](#) will be on hand to discuss her quest to provide proactive products and solutions for all families, wherever they are. "As a mom on a mission, I believe it's up to us to empower ourselves when it comes to safety," stated Mrs. Reger. "FlipLok enables everyone to have an easy-to-install, secondary lock, to protect themselves and their families. I am thrilled to share our home security solution on QVC."

Anna and her husband John, parents of six children, created and launched their patented locking system when they realized there was a gap in the market for a stronger mechanism that would offer peace of mind and mitigate active threat situations. They realized that their product would put the power back into the hands of not just teachers, but students of all ages, business owners, and homeowners alike.
