Alkhail Rental Options

Arranging reliable transportation that aligns with someone's schedule can be a great way of reducing their burden. A successful journey can not be completed without a suitable vehicle. Everyone's preferences and needs vary, so there must be a complete solution to fulfil the requirements of each individual. Many companies promise to provide a quality service but do not actually deliver it.

Alkhail Transport offers you several vehicles that are meant to provide each individual with their commuting needs. They have a large fleet of buses, vans and pickups that can be rented with or without drivers on a daily or monthly basis. The entire fleet is equipped with modern facilities like air conditioning, ample space, a music system, spacious legroom, and enough luggage capacity.

If someone wants to save money on their next travel plan and needs to get everything done professionally, Alkhail can be a better choice. Here are the three main rental options that Alkhail

offers.

Prices

For many travellers, economical rides matter a lot. Sometimes fancy price tags are considered a way to get an estimation of services. Keep in mind, the price does not always determine the quality of services.

With a commitment to offering a complete travel solution within an affordable range, Alkhail has introduced several daily and monthly packages to make the rides budget-friendly.

The vehicles' prices start at 3,000 AED and go up to 10,000 AED - depending upon the type of the vehicle and services.

There aren't any hidden charges and all the details are mentioned on their website's pricing page, including charges for extra mileage and hours.
