Fab Glass and Mirror is excited to introduce the
Spend & Save
Discount Program specially designed
for our Pro Partner customers!

"We always think out of the box to help the glass business industry. Our new net 30 payment terms have made it easier for businesses to make bulk purchases. It's as simple as Buy Now and Pay Later. The idea is to help them improve their cash flow and seek out new and exciting projects. We are confident this payment term would aid many small and medium scale glass businesses in the US."

Said Ahmed Mady, CEO, Fab Glass and Mirror

The company also announced its new Spend and Save Discount program, which lets businesses save more on every purchase.

The redesigned pricing structure encourages glass retailers to order with confidence. Each associated partner gets a customized login and special discounted pricing on bulk orders. This new pricing policy implies readymade, quick shipping items, and customized glass and mirror products.

Ahmed Mady Further Added,

“These all-flexible business terms are meant to help glass vendors get the most out of their businesses. Being one of the largest wholesale glass suppliers in the US, we are on a mission to help sustain the online glass industry. We are very confident that these new add-ons will further help various glass vendors scale their businesses across the US.”

Interested businesses can join the [Pro Partner program](#) to avail of special prices, a 30-day payment term plan, job-site delivery, hassle-free processing, and dedicated customer support. On top of all this, they also get a dedicated account manager to establish their Discounts and an experienced world-class design team to assist them with special projects at no additional cost.

Given the value-added benefits and special pricing, Fab Glass and Mirror is setting new benchmarks for the online glass wholesale industry. As a whole, it's a great move for the betterment of the wholesale glass industry.
