These exceptional films and talents captivated the audience and jury with their artistic vision and dedication to the fusion of fashion and film. The NYCIFFF applauds their creativity and contribution to the world of fashion filmmaking.

"We were deeply impressed by the level of talent and creativity displayed by both Designers and filmmakers this year," said Pedro Oberto, Founder of NYCIFFF. "The fashion film is now embraced by almost every major fashion brand in the world. It is now one of the most important ways to connect with an audience of countless screen watchers. We wanted to a platform in New York City that is specifically geared to this art form hence the creation of NYCIFFF." said Marc Bower, Co-Director of NYCIFFF.

The NYCIFFF extends its congratulations to all the winners and participants for their exceptional work. As the fashion film industry continues to evolve, the festival remains committed to providing a platform for innovative storytellers who redefine the boundaries of fashion and film.
