

AxleHire Releases Last-Mile Delivery Peak Season Prep e-Paper for Last-Minute Planning

New e-Paper designed to provide e-commerce businesses with key considerations for their peak-season strategy.

BERKELEY, CA, UNITED STATES,
September 12, 2023 /

EINPresswire.com/ -- With [Peak Season 2023](#) just around the corner, combined

with a lot of recent disruptions in the logistics industry, nothing will curb consumers' expectations for fast and reliable deliveries. To help e-commerce

brands prep for the upcoming busy shipping season, AxleHire, an expedited, urban last-mile delivery provider, has released a new e-Paper "Last-Mile Logistics: The Quick Guide to Peak Season Prep."

“

AxleHire has built its platform to provide the most efficient warehouse-to-doorstep experience for not only the customer but the brand.”

Raj Ramanan, CEO of AxleHire

The e-Paper provides e-commerce businesses with key considerations they need to know when formulating their peak season strategy, even if they believe they are late to the game this year.

“The good news is there is still time to choose an alternative, modern last-mile delivery partner, like AxleHire, with new technologies that help their ability to provide fast deliveries at affordable prices,” said Raj Ramanan, CEO of AxleHire. “AxleHire has built its platform

to provide the most efficient warehouse-to-doorstep experience for not only the customer but the brand.”

About AxleHire

AxleHire is an expedited, urban last-mile delivery service that helps brands meet and exceed

customer expectations by providing a superior same- and next-day delivery experience. AxleHire leverages purpose-built technology and a gig driver fleet to drive transformative outcomes that catalyze customers' brand growth. Logistics teams can now provide a differentiated delivery experience at a competitive cost, overcoming the limitations of legacy delivery providers. AxleHire operates in urban areas across the U.S., enabling high-volume shippers to consistently cater to the rising needs and expectations of their customers.
