PUNE, MAHASHTRA, INDIA, September 11, 2023 /EINPresswire.com/ --

Market Value Insights has announced the release of its latest report, "Japan's E-Bike Market 2032 Market Value Insights".

The report reveals that the Japanese e-bike market is projected to reach a market value of \$6.9 billion by 2032, up from \$3.3 billion in 2022. This represents a growth rate of 7.9% over the forecast period.

The report also highlights the increasing adoption of e-bikes in Japan, driven by factors such as the aging population and the need for sustainable transportation. The market is expected to continue to grow steadily over the next decade.
