The new facility boasts an impressive 22,000 sq ft, almost double the previous office space. The decision to move was driven by the deliberate and expected growth of the three affiliated companies. The demand for the affiliated companies' top-tier facility maintenance, security guard, and HVAC/R solutions throughout the nation. With this move, the company reaffirms its unwavering commitment to delivering exceptional services to its valued vendors and clients.

"We are delighted to take this significant step forward in our journey of growth and success," said Kathleen Larmour, Co-Founder and President of the affiliated entities. "This new office space represents a strategic investment that will enable us to better serve our customers across the US, Canada, and Puerto Rico. We are dedicated to maintaining the same level of commitment, reliability, and excellence that our clients and vendors have come to expect from

us."

The move to the new facility is a testament to the organizations' dedication to nationally providing the best-in-class solutions for commercial clients. The companies' diverse services include commercial facility maintenance, project services tailored to specific needs, cutting-edge HVAC/R solutions, and top-notch security guard services.

The group of companies remains steadfast in its mission to exceed customer expectations and contribute positively to the industry's growth and development. The new office is equipped with state-of-the-art technology and resources, enabling the team to manage operations and further enhance customer experience efficiently.

“

We are delighted to take this significant step forward. The new office space represents a strategic investment that will enable us to better serve our customers across the US, Canada, and Puerto Rico.”

Kathleen Larmour, Co-Founder and President

The official relocation date and ribbon-cutting ceremony was September 6th, and all communication channels, including phone numbers and email addresses, will remain unchanged. Clients and vendors can continue to expect the same exceptional service as the company transitions to the new location.
