RBID™ Home Selling System - Maximizing Returns for Sellers

The RBID™ Home Selling System is a dynamic solution designed to streamline the selling process, ensuring that sellers receive the highest possible returns on their properties. With advanced data analytics, strategic marketing, and expert negotiation, RBID™ empowers sellers to optimize their listings for maximum exposure and profitability.

“The RBID™ system provides a plethora of advantages for home sellers in today's competitive market. This system amplifies the visibility of sellers' properties, ensuring that their listings reach a wider audience of potential buyers. By harnessing the power of auction-like bidding, it fosters a sense of urgency among buyers, often resulting in quicker sales and potentially higher selling prices. Moreover, the RBID™ system streamlines the selling process, reducing the hassles and uncertainties often associated with real estate transactions,” said Michelle Leonardi, associate at Your Home Sold Guaranteed Realty.

CPO™ (Certified Pre-Owned Home™) - Assurance of Quality

YHSGR goes above and beyond by offering a Certified Pre-Owned Home™ program that guarantees the quality and condition of the homes buyers purchase, providing unparalleled peace of mind during the buying process.

“Every Your Home Sold Guaranteed Realty Certified Pre-Owned Home™ is thoroughly pre-inspected by a certified home inspector. Buyer provided with the detailed report from the certified home inspector prior to purchase. In addition, Buyer Will receive a 13 Month Limited Home Owners Warranty. In addition to that, Buyer received a Your Home Sold Guaranteed Realty exclusive 24-Month Buy-Back Guarantee, wherein if you're not happy with your home purchase we will buy it back,*” said [Lori Hintz](#), managing broker manager at Your Home Sold Guaranteed Realty.

VIP Home Hunter System - Exclusive Access to Off-Market Properties

YHSGR's VIP Home Hunter System conducts extensive research to locate properties not readily available online. It identifies unlisted properties, bank foreclosures, new construction opportunities, and for-sale-by-owner listings that match a client's home buying criteria.

“Some of the best homes never make it to the open marketplace. They're never made publicly available. Your Home Sold Guaranteed Realty VIP Home Hunter System can get you access to unlisted and off-market properties where you would literally be the only buyer that would know about these properties,” said [Rudy Lira Kusuma](#), CEO at Your Home Sold Guaranteed Realty.

In summary, Your Home Sold Guaranteed Realty's exclusive and proprietary home selling system is poised to redefine the real estate landscape. By empowering both real estate agents and consumers, this comprehensive system ensures that clients are presented with a multitude of
