Certatranslate

Certatranslate leverages the robust capabilities of Divergent Language Solutions to offer a swift submission and turnaround process. It aims to facilitate speedy deliveries of commonplace legal documents, particularly those relevant to immigration processes, including those required by USCIS.

“

Certatranslate aims to expand our global customer base by offering a convenient platform that simplifies and accelerates project submissions.”

Brandon Carney, CEO

"Our team of project managers, professional linguists, and multilingual subject matter experts are committed to delivering prompt, precise, and professional services," said Brandon Carney, CEO of Divergent Language Solutions. "Certatranslate extends our reach to a broader audience,

simplifying cross-cultural communication for many."

Whether you're an exchange student, looking to work abroad, or a boutique law firm or solo practitioner, Certatranslate accommodates various use cases across multiple sectors, including USCIS-related submissions. Among the most commonly submitted documents are birth certificates, death certificates, passports, marriage certificates, vaccination records, diplomas, driver's licenses, apostilles, and school transcripts.

Navigating the complexities of cross-cultural interactions requires specialized expertise. CertaTranslate empowers users to transcend language barriers with its tailored, professional translation services for immigration, academic, or work abroad purposes.

"Thousands have already benefited from our top-tier translation services. CertaTranslate aims to expand our global customer base by offering a convenient platform that simplifies and accelerates project submissions," stated Carney.
