Ubic, a leading innovator in sustainable transportation solutions, has announced the launch of its highly anticipated Indoor/Outdoor eBike.

TAICHUNG CITY, TAIWAN, October 3, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- [Ubic](#), an upcoming innovator in the cycling industry, is introducing the Ubic C e-Bike, a product that seamlessly bridges the gap between indoor fitness and outdoor transportation, offering a versatile cycling experience for urban riders.

A Versatile Cycling Solution

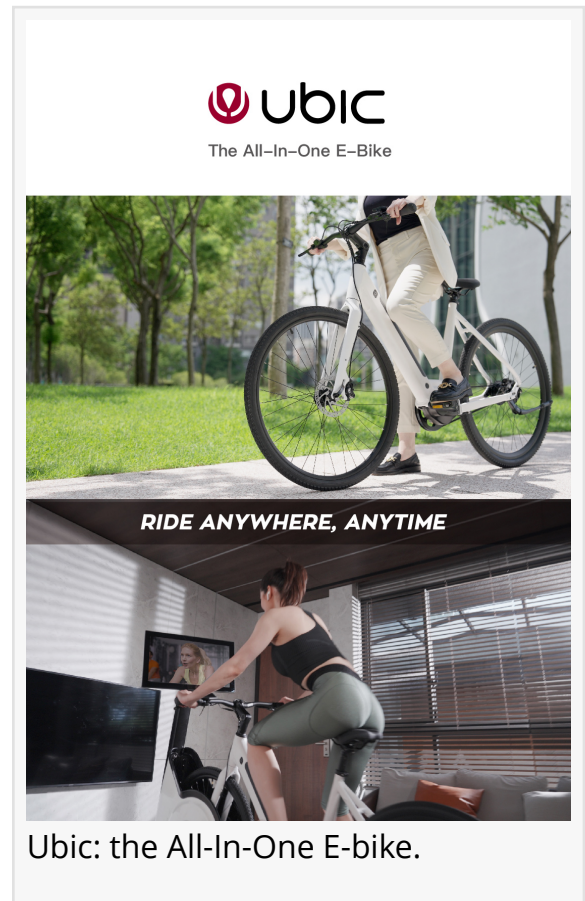

The Ubic C e-Bike is designed for cycling enthusiasts who seek a versatile solution regardless of the weather or season. Its unique docking station and software allows for a smooth transition from outdoor riding to indoor fitness without the need for tools or assembly.

The Indoor Experience

As an indoor bicycle, the Ubic C comes equipped with a docking station and a 21" touchscreen preloaded with fitness and entertainment apps, as well as Bluetooth connectivity to supported accessories. It incorporates a patented [Dynamic Resistance Control](#) (DRC) system where riding cadence and resistance levels can be adjusted at the touch of a button, offering an immersive indoor cycling experiencesimilar to high-end spinning bicycles.

Outdoors Performance

In an outdoor environment, the Ubic C combinesan urban minimalist design with practical features for daily commutes. It is equipped with a 65 Nm Mid-Motor with Torque Sensor, a USB-C charging port, a virtually maintenance-free belt drive transmission, and 5-Levels Pedal Assist. With only 19 kgs (41 lbs) in total weight and an extended range of up to 80 kms (50 miles) on a

single charge, it is clearly designed with urban cyclists in mind.

A New Era in Cycling

Ubic C aims to redefine the future of cycling with its blend of indoor and outdoor capabilities, and thus create a unique category of bicycles by opening possibilities for cycling enthusiasts who value adaptability and convenience.

[Kickstarter](#) Launch

The Ubic C is now launched onKickstarter(<https://www.kickstarter.com/projects/ubicstyle/the-all-in-one-ubic-e-bike-indoors-outdoors-cycling>), offering backers a chance to be part of this innovative cycling solution.
