

# Southern Careers Institute's Corpus Christi Branch Campus Introduces New Esthetician Program

CORPUS CHRISTI, TX, UNITED STATES,  
September 12, 2023 /  
EINPresswire.com/ -- Southern Careers

Institute (SCI) is proud to announce the start of a comprehensive Esthetician program at its Corpus Christi Branch Campus. The program is set to launch

on September 25th and offers aspiring estheticians a unique opportunity to develop their skills in the field of skincare, make-up, and salon management. With a focus on safety, sanitation, and technical proficiency, the program equips students with the knowledge and practical experience needed to excel in the esthetics industry.

The Esthetician program at SCI's Corpus Christi Branch Campus is thoughtfully crafted to provide students with a solid foundation in the field of esthetics, offering a swift path to completion in as little as 30 weeks, with successful full-time enrollment. With a commitment to providing a robust education, the Esthetician program covers a wide range of topics, such as skin analysis, skin care products, makeup essentials, hair removal techniques, facial treatments, infection control, disorders and diseases of the skin and much more. Students will engage in both theory and hands-on laboratory sessions to hone their skills and gain practical experience under the guidance of experienced instructors. Graduates of this program can gain a strong foundation in esthetics techniques, safety protocols and essential business practices, making them well-prepared for entry-level positions in the dynamic world of esthetics.

"At Southern Careers Institute, we understand the importance of a solid foundation and hands-on experience, which is why our program is designed to equip aspiring estheticians with the essential skills needed for success in the industry," said Nikki England, President of Southern Careers Institute. "We're absolutely thrilled to be embarking on this exciting journey of expanding our beauty portfolio."

Upon successful completion of the program, graduates will be eligible to take the state examination administered by the Texas Department of Licensing and Regulations (TDLR) to become licensed estheticians. This licensure opens doors to various entry-level positions in salons, spas, and other beauty-related establishments.

For more information about the Esthetician program at Southern Careers Institute's Corpus Christi Branch Campus and to explore enrollment options, please visit <https://scitexas.edu/esthetician>. To schedule interviews, please contact Sarah Fischer at [sarah.fischer@scitexas.edu](mailto:sarah.fischer@scitexas.edu).
