

# CareTrack Partner Medical Practice Shows Significant Success Since Implementing Solution

*White-Wilson Medical Center shows improvements since partnership began in 2018*

ATLANTA, GEORGIA, UNITED STATES, September 12, 2023 /

EINPresswire.com/ -- [CareTrack](#), an innovative out-of-office healthcare solution, is proud to partner with White-Wilson Medical Center to provide its 24/7 support solution to the practice's Medicare patients. Working with the practice since 2018, CareTrack's solution has made significant improvements in how White-Wilson delivers its continuous healthcare services outside of the office while reducing the overall practice workload.

"The comprehensive assistance that CareTrack's team provides is truly life-saving," White-Wilson Internal Medicine Specialist Dr. Virgil Brown said. "CareTrack is a true extension of our practice to provide exceptional service, and it's rewarding to be a part of it."

In partnership with CareTrack, White-Wilson has elevated its quality of patient care, expanded overall utilization and increased profitability. By the numbers:

\$3.5 million - CareTrack helped White-Wilson achieve \$3.5 million in additional revenue from Medicare reimbursements in 2021.

56,000 live patient calls - CareTrack kept pace by completing more than 56,000 live patient calls.

17,000 unique tasks - As an extension of the practice, CareTrack's Care Team completed more than 17,000 unique tasks annually, saving significant time for White-Wilson's staff.

"CareTrack is proud to be a true extension of the White-Wilson team to help care for its patients, reduce tasks for its staff and increase its revenue," CareTrack Co-founder and CEO Andrew Mills said. "White-Wilson is a wonderful example that exemplifies our solution's difference, and we look forward to transforming how other practices care for Medicare patients."

The comprehensive assistance that CareTrack's team provides is truly life-saving. CareTrack is a true extension of our practice to provide exceptional service, and it's rewarding to be a part of it."
