“

Hitendra brings deep domain expertise, in the accounting and tax profession along with technology-enabled services, that can deliver efficiency to CPA firms..”

*Nishant Kanodia, Chairman
of Datamatics Business
Solutions Inc.*

Hitendra Patil, one of the key influencers and thought leaders in the accounting profession, will drive the CPA and F&A Outsourcing business growth for [Datamatics Business Solutions Inc.](https://www.datamaticsbusiness.com/) The CPA business spans across the United States, Canada, United Kingdom, Ireland, Australia and New Zealand and is poised for customer growth in other key geographical markets.

“Hitendra brings deep domain expertise, in the accounting and tax profession along with technology-enabled services, that can deliver efficiency to CPA firms,” says Nishant Kanodia, Chairman, Datamatics Business Solutions

Inc. “For nearly two decades, he has been helping accounting firms overcome operational

challenges and scale business growth. As we continue our global expansion, we are delighted to have a stellar leader like Hitendra join the Datamatics team. We look forward to leveraging his breadth and depth of experience to help our customers address key issues facing the accounting profession worldwide.”

Hitendra has over 25 years of experience leading critical business functions in companies that provide services and software across the public and private sectors, with extensive SaaS and accounting outsourcing market expertise. Consistently recognized as one of the Top 100 Accounting Influencers for his ability to lead customer-centric operations in large and small organizations, he has most recently been responsible for leading CPA firms’ success at an accounting SaaS company. He has held several senior executive positions, leading global teams to deliver top-quality services and measurable growth. He served as the Chief Operating Officer of an accounting outsourcing company, in an earlier role.

Hitendra Patil, President – Global F&A Services, Datamatics Business Solutions, Inc., says, “Datamatics is experiencing remarkable growth, especially in North America, and is gaining impressive traction in other markets as well. I am honored and thrilled to join this immensely talented team to build upon this success. My endeavor is to help Datamatics become the preferred F&A outsourcing services provider to accountants globally. I look forward to working with the team as we continue to provide innovative, technology-driven services and solutions to accountants.”
