just announced they are coming to Chicago and will be conducting their popular live re-creations of authentic Victorian Era dark Séances inside the Congress Plaza Hotel, said by many to be the most haunted place in the Windy City. The

The authentic séances will be offered to the public at varying times on weekends with [tickets available through Eventbrite](#). Tickets start at \$25 and an additional early bird discount is currently offered online.

The séances are slated at the historic downtown Chicago hotel in an area not usually opened to the public.

Authentically re-created exactly as conducted in the 1800's, séances are scheduled inside an actual room built in 1893

using antique séance artifacts also dating from the 1800's.

Séances are typically hosted by a Séance Master who is a former College Instructor and published researcher on Paranormal Phenomena; he has appeared as an expert TV “Ghost” authority; he was a Houdini Séance organizer at the world-famous Magic Castle in Hollywood, CA and has conducted 100's of séances throughout the country.
