

# Attention Customers of Ni Advisors' Peter Po: KlaymanToskes Seeks Over \$100,000 in GWG L Bond Loss Recovery

*Did You Suffer GWG L Bond Investment Losses at Ni Advisors? Contact KlaymanToskes*

SUNNYVALE, CA, USA, September 13, 2023 /EINPresswire.com/ -- National investment loss lawyers [KlaymanToskes](#) encourages customers of Ni Advisors who suffered investment losses in GWG L Bonds with Peter Po and/or any other financial advisor to contact the firm immediately at 888-997-9956.

KlaymanToskes reports the firm has filed a FINRA arbitration claim (no. 23-02392) against Ni Advisors and broker/investment advisor [Peter Tinchu Po](#) on the behalf of two Chinese immigrants who lost their life savings and retirement funds due to being recommended to invest in unsuitable alternative investments known as GWG L Bonds.

The customers sought safe and low risk investments that would provide stable income and minimal risk to their savings. Po made false and misleading representations that the L Bonds had no risk and high interest. He also misrepresented to the customers that they would get back all of their principal with interest once the company went public.

In January 2022, GWG stopped paying interest and principal payments to bondholders. Shortly thereafter in April 2022, GWG Holdings, Inc. filed for Chapter 11 bankruptcy. Upon hearing of GWG's bankruptcy, the customers each separately contacted Po. However, Po further misled the customers and continued to misrepresent that the investments were fine and that the customers would get their principal back.

The customers remain concerned about supporting themselves throughout their retirement years due to no longer receiving interest payments from the bonds and no longer having access to their principal investment. The claim seeks to recover damages of over \$100,000 against Ni Advisors and Peter Po for unsuitable investment recommendations, failure to act in the “best interest” of the customers, misrepresentations and omissions, breach of fiduciary duty, breach of contract, failure to supervise, negligence and violation of the federal securities laws.
