

GrowPath Makes GetApp's Category Leaders List for Law Practice Management Software

GetApp, which offers recommendations regarding software to business leaders across many categories, added GrowPath to its list of category leaders.

DURHAM, NC, USA, September 13, 2023 /EINPresswire.com/ -- GrowPath has been listed by GetApp as a category leader in Law Practice Management software. GetApp is used by business leaders to find the software they need. In a crowded field of competitors, GrowPath emerged as one of the best, notably placing ahead of Needles Neos.

"We're very happy to have made the category leader list from GetApp. It's always nice to be recognized for making a high-quality, well-reviewed product. The user satisfaction is what matters," said GrowPath CEO [Joe Velk](#). "Our software does so much more than many competitor software that I think GrowPath is often difficult to classify. These listings mean we're doing well in the specific facets they're looking at."

GrowPath continues to draw accolades, earlier being recognized as a "Frontrunner" by [Software Advice](#) and named an emerging favorite for Legal Case Management Software by Capterra, subsequently making the Capterra shortlist. Honorees to Capterra's shortlists are chosen based on popularity and the strength of their user reviews.

"This recognition helps drive us as we continue to innovate and improve everything about GrowPath for current and future clients," he added.
