This accolade represents a crowning achievement in pursuing culinary excellence and unwavering dedication to unparalleled hospitality in 368's second year.

As one of the exclusive establishments comprising the elite group of less than 700 distinguished North American restaurants, 368 Maine is a testament to exceptional gastronomy and service. This complete cohort includes dining destinations across the United States, Canada, Mexico, and the Caribbean, making 368 Maine's inclusion a distinguished honor. Remarkably, there are just three DiRōNA restaurants in the entire state of Maine, underscoring the exceptional nature of this recognition.

Earning the coveted title of a DiRōNA restaurant is no small feat. 368 Maine underwent a rigorous evaluation process conducted anonymously by a third-party inspector. This thorough assessment meticulously scrutinized various facets of the dining experience, including ambiance, cuisine, service quality, and check accuracy, among other stringent criteria. Only those restaurants that demonstrated excellence across all these aspects were deemed deserving of DiRōNA membership.
