Life is a journey, one that can be incredibly inspirational, full of love and laughter, or one that can be dull and mundane and merely a means to get from one day to the next. For Elizabeth Highland, life is a journey of discovery, one that challenges the famous Hamlet line, "To be or not to be," one that demands a little bit of love and a whole lot of laughter. Reconnecting with someone she met forty years ago and enjoying a sprightly relationship, all online, sees her flying

to meet him in person. Only he's married; she's divorced. Will their online relationship spark enough to keep the romance alive and well? Find out in Mairy E. Lloyd's Chronicles of Elizabeth Highland.

Mairy E. Lloyd's Chronicles of Elizabeth Highland is a quirky, fun-filled read about a journey through relationships. The main character, Elizabeth, is determined to find her genuine soulmate; she's driven in discovering her passion for romance and love. Told in the first person narrative, from Elizabeth's point of view, the story reads like a memoir, complete with the online, detailed emails as the romance blossoms. The story is a journey, not one that seeks an ending, but one that enjoys the ride. As Elizabeth follows her journey, seeking that one true love, she experiences a profound spiritual awakening that allows her to evaluate her life, purpose, and need for love. Sparked with humor, eloquent dialogue, and narrative, the story unravels in the past and present as the journey unfolds to meet the future. Brilliant!"
