forward to my partnership with BTS. I am confident that together we can take Ellis Elite to the next level. With other BTS partners like Larry Hughes, Bobby Jackson, and Chris Paul in the family, we are in good company! As a leading licensor of youth basketball systems, programs, and curriculum used to operate a successful year-round youth basketball training business, BTS brings the expertise and experience I need to support my expansion plans."

"As Dallas grows, it is becoming a mecca for both professional and amateur sports. With the metroplex

growing in population, it is a great time to build a high-quality basketball training business in the area. With the BTS programs focus on character development as well as great basketball skills we are excited by the difference we can make in the lives of the athletes we train. We want a

legacy of having a positive impact on the communities we serve. We are looking for great coaches, and locations in the Dallas market, so if you want the opportunity to be a part of our growing organization, please reach out to us. We need high-quality trainers to join us on this journey!"
