ORLANDO, FL, UNITED STATES, September 13, 2023 / EINPresswire.com/ -- Not all heroes wear capes; some wear white coats and work with precision tools to gift the world with radiant smiles. [Dr. Todd Shatkin](#) and his dynamic team at Shatkin F.I.R.S.T.® are set to grace the American Dental Association's [SmileCon 2023](#) in Orlando, from October 5th to 7th. An iconic figure in the world of implant dentistry, Dr. Shatkin will be delivering two insightful lectures on the main stage, unraveling the intricacies of his patented F.I.R.S.T.® Technique.

Highlight of the Event:

Visitors should mark booth #2217 on their must-visit list! Drop by to register and stand a chance to win free tuition to a Mini Dental Implant Course in Buffalo, NY, valued at \$995!

Shatkin F.I.R.S.T.® is not just about revolutionary dental procedures; it's a transformative mission. We aim to arm dentists with hands-on training, unparalleled education, and unwavering support, translating into unmatched craft confidence, consistent practice growth, and financial prosperity.

What sets the F.I.R.S.T.® Technique apart is its ease of mastery through a succinct one-day

course. Implementing this technique not only better patient experiences with minimally invasive mini dental implants but has also shown to increase average earnings by a staggering \$400,000 in the very first year.

More than 40,000 dentists globally have revamped their practices and reignited their passion for dentistry through Shatkin F.I.R.S.T.®'s innovation, learning modules, and support system.

Known to be one of America's most technologically advanced dental labs, our lab has crafted over 600,000 high-quality restorations for dentists worldwide.

“

Our mission is to provide dentists with world-class hands-on training, education, and support to help them achieve confidence in their craft, consistent practice growth, and financial success.”
