Pioneers In Skirts -A Movie About Ambition

Premiering during the pandemic to a global online audience of companies, schools, and nonprofits, the documentary-style film is from Director Ashley Maria and Producer Lea-Ann W. Berst, a mother-daughter filmmaking team. Together, they created an engaging, socially conscious documentary that examines why women and girls have dashed expectations and addresses the stereotyping and sexism that can chip away at a woman, hurt her potential, and make her feel like she must re-think her dreams.
