BALTIMORE, MD, USA, September 13, 2023 /EINPresswire.com/ -- The Daily Record has named [Pink Dog Digital](#) as a recipient of a 2023 Empowering Women Award. Empowering Women winners will be honored at The Daily Record's Women's Leadership Summit on Oct. 25 at the University of Maryland, Baltimore, 621 West Lombard Street in Baltimore.

The inaugural award recognizes companies and organizations that show a strong commitment to supporting and elevating women in Maryland. Empowering Women is designed to showcase tangible and innovative efforts by companies, law firms, nonprofits and other organizations to advance women in the workplace and community.

Honorees demonstrate a track record of hiring and promoting women; support programs to mentor women in their organizations and address inequalities; show a strong record of women on the company's board or in C-suite positions; and establish DEI programs and philanthropic efforts to support women. Judges reviewed each nominee's application and letters of reference and evaluated the information relative to the company's resources.

"The 2023 Empowering Women honorees demonstrate a consistent commitment to recruiting, hiring and promoting women in their organizations. They also know the benefit of mentoring programs for women and understand the value of women in leadership positions," said Suzanne Fischer-Huettner, managing director of BridgeTower Media/The Daily Record. "We at The Daily Record are pleased to honor these incredible organizations for empowering women each and every day."

The Women's Leadership Summit begins at noon on October 25 and brings together Top 100 Women, Leading Women and other women professionals from across the state to learn from each other and build a network to create change. The afternoon features a fireside chat speaker, panel discussions, networking opportunities and an exhibit area.

The Empowering Women event concludes the day at 4 p.m. with a networking reception followed by the awards celebration at 4:15 p.m. and additional networking opportunities.
