Year after year, Erebus 4-Story Haunted Attraction consistently ranks as one of the world's scariest haunts, including being named the number one haunted attraction in the United States in the 2019 USA Today 10 Best Readers' Choice Travel Awards. As Michigan's largest haunted attraction and the 2005 through 2009 holder of the Guinness World Record for largest walk-through haunted house, owners Edward and James Terebus have spent nearly four decades plotting terror to keep you up at night.

Opened in 2000, Ed and Jim Terebus have built Erebus into an empire of fear in downtown Pontiac. Erebus is a four-story playground for your mind, named after the Greek god of primordial darkness. With staff working year-round, Erebus Haunted Attraction's engineers create and design thrills to agitate all five of your mortal senses.
