Our desire is to create an album that takes the listener to the heart of God and to experience more of who He is."

Krista Westfall

saying, "Our desire is to create an album that takes the listener to the heart of God and to experience more of who He is. We believe that knowing Him, and hearing from Him, frees us to be loved unconditionally by Him. His truth shapes and forms our everyday lives in how we live and grow."

Westfall, while making her ask for sponsors, said, "God is the ultimate Creator and has called and equipped us to

create. We look to answer that call in music. Our hope is that every listener would have radical heart transformation, leading them to further the Kingdom. We invite you to partner with us financially so that we can reach those who do not know Him and wake up those who are asleep."
