Reviewed By Tammy Ruggles for Readers' Favorite:

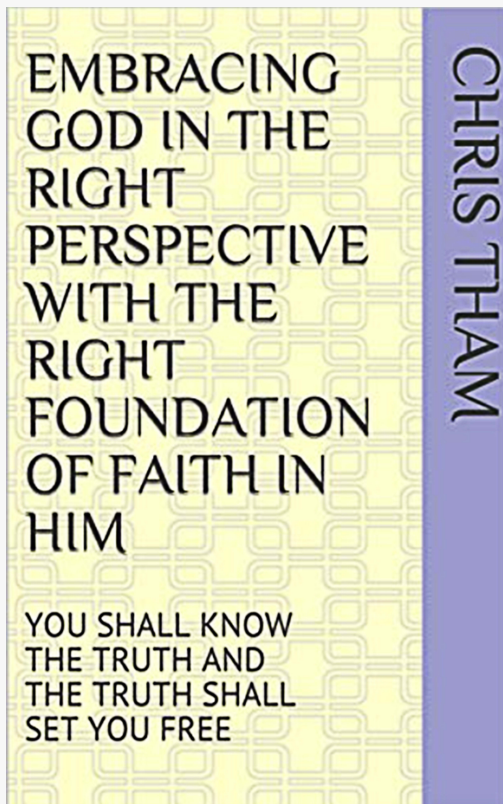

"Embracing God In The Right Perspective With The Right Foundation Of Faith In Him by Chris Tham is a faith-based work of non-fiction that serves as a companion piece or study guide to the Bible, also known as The Word of God. The author seeks to share the words and

meaning of Jesus Christ, also called in this book The Gospel of Light. The author explains how truth, power, and wisdom can only be achieved by realizing and understanding that people have a purpose in life, and it is to know who Jesus is and what He wants for them--salvation. The author explains that he does not want to disrespect other religions, but wants only to show how much more fulfilled they will be if they follow Jesus.

Chris Tham encourages readers to find out their true identity, which is shaped by God and the gifts He gives them. When one fully realizes his or her purpose, according to the author, things like faith, power, peace, and love, can enter that life, as it has been ordained by destiny--God Himself. The author likens God's relationship with us to a father-and-child relationship. It is logical to find out what God wants for your life, instead of trying to figure it out on your own, or going in a direction that isn't meant to be. Whether or not you agree with all of the author's ideas, he does succeed in getting his points across. The Bible can be interpreted by those who read it, and if they read it for themselves, they can decide if they line up with Chris Tham's book. I do like how the author places emphasis on self-study, faith, healing, and compassion toward others, regardless of their religion. If you've been looking for a book to help bring you back into the Word of God, or help lead you into it for the first time, put *Embracing God In The Right Perspective With The Right Foundation Of Faith In Him* by Chris Tham on your reading list."
