

# 13 years of legal cannabis in Lansing and Walled Lake with Bazonzoes

*Michigan Provisioning Centers turn 13 years old with free public party*

WALLED LAKE, MI, UNITED STATES, September 14, 2023 /EINPresswire.com/ -- [Bazonzoes](https://www.bazonzoes.com) Provisioning Centers across Michigan will be celebrating their thirteenth birthday on September 17, 2023 from 9am-9pm.

The birthday celebration will be held at their retail locations in Walled Lake on East West Maple Road, South Lansing on American Road, and in North Lansing on Willow Street and will feature deep discounts, games, raffles, freebies, and appearances from Michigan's most popular cannabis brands.

"We are so grateful to be able to celebrate 13 years of providing care to all of the communities that we serve. It wasn't so long ago that celebrating something like this would be inconceivable and yet, here we are," said Erin McCann-Sabo, Director of Experiences, "its more than just a store anniversary for us. That's why we call it a birthday. It truly was the birth of not just our provisioning centers but accessible medicine in Oakland County for our patients".

Bazonzoes was originally opened in Walled Lake, MI in 2010 under the Michigan Medical Marijuana Program (MMMP) but, after a series of illegal raids/seizures the owners decided to temporarily shutter their doors in 2017, and reopen under the new Cannabis Regulatory Agency guidelines. The temporary closure while frustrating, resulted in three new retail facilities and a burgeoning cannabis grow and processing center for Bazonzoes.

The dispensary will also be offering 30% off in-store, a free eighth with every purchase, a free t-shirt and hotdog with purchase, and a myriad of games with THC prizes. Brands like Cookies, Jeeter, Freight Train, Holy Smokz, Sauce, 710 Labs, Wyld, Stiiizy, Doghouse, Breeze, Terple Gang,
