

# Open Road Volvo Cars of Edison, Facility Grand Opening: A Fusion of Elegance and Innovation

*Open Road Auto Group's partnership with Volvo Cars USA has expanded in the Edison NJ Area.*

EDISON, NJ, UNITED STATES,

September 14, 2023 /

EINPresswire.com/ -- A sense of anticipation filled the air as Open Road Volvo Cars Edison unveiled its new showroom, marking a significant chapter in the collaboration between Open Road Auto Group and Volvo Cars USA. The event, attended by Rodman Ryan, the owner of Open Road, along with executives from both Open Road Auto Group and Volvo Cars USA, showcased a blend of modern design cues and a forward-looking approach. The ribbon-cutting ceremony, a symbolic gesture, opened the doors to a space that celebrates automotive innovation and sophistication. This gathering was a testament to the meticulous efforts that went into creating a showroom that resonates with Volvo's emphasis on modernity and style.

Volvo's new design cues took center stage within the showroom, embodying a fusion of form and function. This showcased Volvo's commitment to creating vehicles that not only perform exceptionally but also embrace thoughtful design. The interiors of the displayed cars exemplified the harmonious integration of minimalist Scandinavian design with state-of-the-art technology, resulting in an aesthetically pleasing and user-friendly environment. The design direction

showcased in the [Open Road Volvo Cars of Edison](#)'s showroom mirrors Volvo's evolution, encompassing luxury, sustainability, and innovation. This design philosophy integrates sustainable materials and eco-conscious manufacturing, emphasizing Volvo's dedication to responsible luxury.

Rodman Ryan, the owner of Open Road Auto Group, commented, "It will be a good marriage and a good mix. We are looking forward to having great success with Volvo as we have had with our other brands." The significance of Open Road Volvo Cars Edison as a prominent local Volvo dealer is reflected in the showroom's grandeur. As the largest Volvo showroom in the region, it underscores Open Road's commitment to delivering an exceptional customer experience. With a diverse range of vehicles on display, customers have the opportunity to explore and select the Volvo that best suits their preferences and lifestyle.

Executive leadership from Open Road Auto Group and Volvo Cars USA cut the ribbon opening Volvo's new showroom.

The grand opening of the Open Road Volvo Cars of Edison showroom sets a new benchmark for automotive retail spaces. The space celebrates design, excellence, and a glimpse into the future. In an era driven by innovation, Open Road Auto Group and Volvo Cars USA are steering the course, ushering in an exciting chapter where design, technology, and sustainability converge seamlessly. The grand opening was a resounding success, promising more to come, and demonstrating the potency of collaboration and visionary thinking in shaping the future of the automotive industry.
