

# Teachers Find Calling as Deep-Fried Chefs at the State Fair of Texas

DALLAS, TX, UNITED STATES,

September 15, 2023 /

EINPresswire.com/ -- The State Fair of Texas is billed as the best 24 days of the year for a reason - the great food like that served by Gracie and Milton Whitley. The Whitleys were public school teachers in Texas who followed their passion working their way through the food industry to become some of the best deep-fried chefs at the State Fair.

"Creating innovative treats for fairgoers of all ages is something we also love to do," said Milton. "We have been finalists in the Big Tex Choice Awards with foods such as deep-fried yam on a stick, deep-fried Froot Loops™ and La Bluebonnet, a refreshing citrus-based drink", said Gracie.

This year the Whitleys will be introducing two new life-changing funnel cakes that are so delicious you will definitely want to grab your bestie to come out and enjoy it with you.

"To quench your thirst, we have our new [Cotton Candy Lemonade](#)", said Gracie. It's the sweet and tangy goodness of our freshly shaken lemonade combined with strawberries then topped with a cloud of cotton candy for a fun, mesmerizing color changing experience.

Where can you find these delicious treats? Glad you asked. Milton's Concessions is located by the Main Gate near the DART Train Entrance and in the Tower Building in Fair Park.

See you soon.
