

"Rod's Sudoku Tutorial" by Rodney L. Wagner improves the problem-solving and decision-making skills

Understand what Sudoku is and why it's so much fun, but more significantly, find out a useful approach for completing difficult problems.

CANTON, MASSACHUSETTS, UNITED STATES, September 15, 2023 /EINPresswire.com/ -- [Rodney L. Wagner's](#) fun and insightful masterpiece, "[Rod's Sudoku Tutorial](#)," was published by [Author Reputation Press](#). This work of art was featured in the July issue of The New York Times Book Review (NYTBR).

Current non-fiction and fiction books are reviewed in The New York Times Book Review, a weekly paper magazine supplement to the Sunday edition of The New York Times (an American daily newspaper with a worldwide readership reported in 2020 to be a growing 6 million paid digital subscribers). It is one of the most well-known and significant book reviews in the business.

Author Rodney L. Wagner, a native of Oklahoma, was born in 1935 with a hearing loss and a speech defect. He earned a Bachelor of Arts degree at Texas A&M University in Corpus Christi while serving in the U.S. Navy and a Master of Divinity.

He pastored churches in Colorado before launching a graphic arts business and returning to college, where he earned a certificate in business data processing as well as a Master of Business Administration. Before becoming a teacher, he worked as a computer programmer and system analyst. He's retired and lives in Olympia, Washington, with his wife.

Benji Cole of CBS Radio interviewed Rodney L. Wagner, together with his wife, Sharon Wagner. They talk about the author's inspiration for writing this book. This book comes in handy for

Rod's Sudoku Tutorial

people who want to learn and play Sudoku and is also suitable for all ages. Listen to the full interview:

People of Distinction is one of the most extensive and wide-ranging radio shows in the United States. Hosted by Benji Cole and Al Cole from CBS Radio, People of Distinction is the right fit for authors who want to increase their exposure to readers. The radio program airs on Apple's iTunes Radio Network (Professional News/Talk), featuring CBS Radio, Fox News, NPR, and C-Span.

"Rod's Sudoku Tutorial" was among the books displayed by Author Reputation Press during the Los Angeles Times Festival of Books 2023 at the University of Southern California on April 22-23, 2023. This book will help readers obtain techniques for playing Sudoku and improve their problem-solving skills.

Rodney L. Wagner

The Los Angeles Times is the country's biggest metropolitan daily newspaper, with more than 40 million unique latimes.com visitors monthly, a Sunday print readership of 1.6 million, and a combined print and online local weekly viewership of 4.4 million. The Pulitzer Prize-winning Times has been covering Southern California for more than 140 years.

“

...if and when you get stuck, never be afraid to stop and lay a puzzle aside...and do something else; it clears your mind”

excerpt from the book

In this book, "Rod's Sudoku Tutorial," the author explains what Sudoku is and why it is so fun, but more importantly, he reveals helpful techniques for solving particularly vexing puzzles.

He knows the techniques work because he's used them to solve thousands of puzzles, including hard and extreme

puzzles. Each technique includes a narrative and step-by-step instructions on how to use it depending on the situation.

The book provides real-world examples so readers can see how to implement the techniques. Whether they are novices or have moderate experience but want to improve their puzzle-solving skills, they will discover helpful hints on mastering even the most difficult of puzzles in Rod's Sudoku Tutorial.
