

Leading Futurist Jason Schenker to Give Keynote Speech on the Future of AI at Greater Austin Chamber of Commerce Event

Jason Schenker, Chairman of The Futurist Institute and President of Prestige Economics, will give the closing keynote at innovative Austin, Texas, event on AI.

AUSTIN, TX, UNITED STATES,
September 15, 2023 /

EINPresswire.com/ -- [The Futurist](#)

[Institute®](#) is excited to announce that its Chairman, the renowned AI and futurism expert [Jason Schenker](#), will give a keynote address at the Greater Austin Chamber of Commerce event

"AI: The Next Generation of Productivity" on September 19, 2023.

With his vast expertise and passion for AI, automation, and robotics, Mr. Schenker will present a comprehensive talk titled "Opportunities and Risks for AI Today and the Future." Attendees can look forward to an insightful journey into AI's transformative power, the immense opportunities it promises, and a candid look at its potential limitations and risks.

“

I look forward to speaking about the opportunities, limitations, and risks of AI for today and the future.”

*Jason Schenker, Chairman of
The Futurist Institute*

Mr. Schenker's insights are not just timely but imperative as we stand on the precipice of an AI-driven transformative era. He will seamlessly integrate the day's dominant AI

themes, offering actionable insights that participants can immediately implement.

Mr. Schenker's talk will also feature pioneering research from The Futurist Institute® and [Prestige Economics](#), where Mr. Schenker has made significant contributions, including as the author of the bestselling book *Jobs for Robots* and as the editor and contributor of *The Robot and Automation Almanac* for 2018, 2019, 2020, 2021, and 2022.

Mr. Schenker expressed his enthusiasm for the upcoming event, "I am eager to share my thoughts, connect with attendees, and engage in stimulating discussions about where AI is headed." When speaking about the specific goals he had for his keynote, Mr. Schenker shared, "My talk will include actionable takeaways and cautionary steps attendees can implement to benefit from AI immediately. They won't need to wait to realize significant benefits in a far-off future. "

Tech enthusiasts, professionals, futurists, and leaders in the domain are expected to attend this remarkable event and participate in the discussions shaping our AI-driven future.

The Greater Austin Chamber of Commerce is dedicated to championing a thriving economic landscape in Austin. Through diverse events, seminars, and workshops, it provides businesses and individuals with the knowledge and tools essential for success.

For more information about the event or to register, please visit <https://www.austinchamber.com/event/s/ai-the-next-generation-of-productivity>.

Mr. Schenker is a resident of Austin, Texas, where he lives with his wife Ashley, and their dog Mr. O's.
