

# KudoAI Receives Grant Funding worth \$98,000 from partners including Microsoft, OpenAI

SAN FRANCISCO, CA, UNITED STATES, September 16, 2023 / EINPresswire.com/ -- California startup [KudoAI](#) received \$98,000 worth of grants in August, from Microsoft & its industry-leading partners, including OpenAI & GitHub.

“The age of AI is upon us,” claimed Microsoft CEO Satya Nadella, just one day before his company invested \$10 billion for 49% stake in OpenAI.

The artifact for chatgpt.js by KudoAI (official selection of Artizen Season 3)

The public release of ChatGPT — an uncannily human-like chatbot that became the [fastest-growing app in human history](#) — is largely responsible for the current surge in AI interest. ChatGPT is based on the powerful GPT-3.5 language learning model (LLM) developed by OpenAI (based on five years of revisions).

“

The age of AI is upon us.”

*Satya Nadella*

The Microsoft-led grants mark a significant milestone for KudoAI, bolstering their mission to bring AI within the grasp of a broader demographic.

About KudoAI

KudoAI is a pioneer in making advanced AI accessible to everyone. Their current core product is [chatgpt.js](#), a widely acclaimed JavaScript library that empowers developers to build AI applications, ranging from chatbots to creative content generation.
