“

I hope this song helps everyone in some way. Voicing these struggles is so important—no one can help you if they don't know what's going on.”

“I hope this song helps everyone in some way,” said Austin. “Voicing these struggles is so important—no one can help you if they don't know what's going on.”

The song is available on iTunes at <https://music.apple.com/us/album/wanna-be-saved-single/1703500354>, showcasing the buzz around this young artist.

Born and raised near Nashville, TN in the small town of Pleasant View, Austin was faced with a life changing surgery at the age of fifteen. It was during his recovery time that he discovered a passion for writing songs and singing. He taught himself to play guitar and pursued his newfound love for music while working to get back on the baseball field. After sharing singing clips online, he quickly amassed over 300,000 followers on TikTok.

"I want people to know that I'm serious about my music," said Austin. "I've been honing my craft for years. Now that I have a platform, I'm ready to share my original songs with the world."

The song gives a glimpse into Austin's talents as both a vocalist and songwriter. Austin plans to keep releasing original music in the coming months as he builds his country music career.
