

Exploring the Power of Blockchain: The Smart Chain Forum 2023

The Smart Chain Forum is set to return for its third edition on September 16th, 2023, in Rio de Janeiro.

RIO DE JANEIRO, BRAZIL, September 17, 2023 /EINPresswire.com/ -- First initiated in 2021, the Smart Chain Forum was conceived as a gathering point for developers, collaborators, and investors, particularly in finance and blockchain technology. Its goal is to provide a deeper understanding of digital assets, Smart Chain, Tokenization, NFTs, and the Metaverse.

This event offers a unique opportunity to meet industry experts, developers, and sponsors. It's a chance to gain insights into the latest industry trends, discover upcoming projects within the ZENCON Ecosystem, and share our collective vision.

Since its inception at the Armani Hotel at Burj Khalifa, Dubai, in 2021, the Smart Chain Forum has swiftly emerged as a must-attend event. It's a gathering place for decision-makers, innovators, investors, and pioneers in blockchain technology and finance.

This year, the core areas of focus will include:

- Digital Asset Transformation: Navigating the ever-evolving blockchain landscape with insights from the Nomo App.
- Blockchain & Smart Chain Evolution: Exploring what's on the horizon for blockchain's technological revolution.
- Tokenization: Bridging the realms of real and digital economies.

Forum Highlights:

- Expert Perspectives: Immerse yourself in deep-dive sessions and captivating keynote addresses that unveil the future of blockchain technology.
- High-Caliber Networking: Connect with an exclusive assembly of industry leaders, developers, and investors, fostering meaningful connections.
- Visionary Outlook: Gain invaluable insights into upcoming projects shaping the new digital economy from ZENCON and our distinguished partners.

The Smart Chain Forum 2023 in Rio de Janeiro represents a significant milestone in the blockchain and digital asset space. This event, with its focus on innovation, collaboration, and the

future of technology, promises to be a transformative experience.

About ZENCON: Introduced in 2022, ZENCON is an annual hackathon where participants come together in a fun and entertaining environment to strengthen their collaboration, forge new technological innovations, and produce creative ideas and solutions.
