“We are most pleased to have DJ MPower perform at Buddy Walk” said Buddy Walk Committee Member Erin Murray. “DJ MPower is a sought after professional club and event DJ who just happens to have Down Syndrome. To his fans, his electrifying house music performances inspire and represent the true meaning of acceptance and inclusion.” added Ms. Murray. “DJ MPower is a unique, empowering and inspiring DJ who shows us all what passion and hard work can achieve,” Ms. Murray said. “We are so thankful to all of our donors for making this event possible” added Ms. Murray.

Buddy Walk for so many people” added DJ MPower. “Any opportunity to help showcase the abilities, talent, intelligence and work ethic of people with Down Syndrome - count me in!” said DJ MPower.

#### ABOUT LUZERNE COUNTY DOWN SYNDROME BUDDY WALK

The Luzerne County Down Syndrome Network came together in 2005 with the goal of organizing Luzerne County's first annual Buddy Walk. Through events such as the National Down Syndrome Society's Buddy Walk, LCDSN's mission is to advance acceptance and inclusion of people with Down Syndrome while raising funds for qualified local and national non-profit education, research and support programs. Because of the

generosity of the community and guidance of The Luzerne Foundation, the group was able to sponsor activities such as swim lessons for people with Down Syndrome at the YMCA, Dance lessons for children with Down Syndrome, Art and other programs such as summer camp tuition assistance and Music Therapy. The Down Syndrome Network was also able to provide information to those touched by Down Syndrome by contributing books and resource materials to the Arc of Luzerne County's library and with information packets available to new parents.
