

# A' Design Award & Competition Announces Call for Entries to 2024 A' Interior Space, Retail, and Exhibition Design Awards

*A' Design Award & Competition Announces the Prestigious A' International Interior Space, Retail, and Exhibition Design Awards 2024 Call for Entries*

COMO, CO, ITALY, September 18, 2023 /EINPresswire.com/ -- Today marks the highly anticipated announcement of the A' Design Award & Competition's call for entries to the distinguished A' International Interior Space, Retail and Exhibition Design Awards. The globally acknowledged platform invites participation from interior designers, interior architects, decorators, exhibition designers, and architectural design offices around the world to showcase innovative interior designs that have been created within the last 10 years.

The logo for the A' Design Award & Competition Interior Design Award. It features the text "A' DESIGN AWARD & COMPETITION" in a bold, black, sans-serif font, with "A'" in red. To the right of the text is a red square icon containing a white stylized flame or drop shape. Below this, the words "INTERIOR DESIGN AWARD" are written in a bold, black, sans-serif font.

**A' DESIGN AWARD  
& COMPETITION**  
**INTERIOR DESIGN AWARD**

Interior Design Awards

In a bid to foster innovation and excellence in the design sphere, the A' Design Award & Competition has established a two-phase competition where the first phase is entirely free for participants. By registering at the A' Design Awards website, prospective entrants can submit their works for the Interior Awards and obtain a preliminary score for their submissions. Those whose projects surpass the preliminary phase can proceed to the nomination stage, albeit a nominal fee applies for this consideration.

Submissions to the A' International Interior Space, Retail and Exhibition Design Awards will be accepted until September 30, 2023, and the results are slated to be announced on April 15, 2024. The laureates of the event will be bestowed with the coveted [A' Design Prize](#), comprising an array of PR, marketing, and publicity tools to acknowledge and celebrate their significant achievement.

Potential projects for submission span a wide array of categories including but not limited to interior designs of bars, restaurants, hotels, shops, residences, and convention centers. Detailed sub-categories and descriptions can be found at the competition's webpage at

<https://interiordesignaward.com>

The A' Design Prize entails several benefits including the Design Excellence Certificate, a lifetime license to use the winner logo, inclusion in the yearbook of best designs, invitation to the [designers.org](https://designers.org) platform, showcase at design stars network and the privilege to partake in exhibitions held in Italy. Furthermore, winners will receive a unique trophy, an invitation for two to the A' Design Awards' Gala-Night - La Notte Premio A', and numerous other honors that enhance their global visibility and influence in the design industry.

A significant highlight for the winners will be an exclusive interview which will be hosted on the Designer Interviews website and featured in the press kits. This elaborate press kit will encapsulate an array of high-resolution images, portfolios, and other promotional content amplifying their victory to a broad spectrum of audiences. These press kits will be disseminated to an extensive network of press members accredited by the A' Design Awards, ensuring widespread recognition and acclaim. Numerous press partners have already pledged to feature a selection of the top projects among the award winners, helping to amplify their visibility on a global stage. Results will further be translated to and published in 108 languages.

The A' Design Award & Competition serves as a pedestal to spotlight the epitome of design skill and innovation. Established with the cardinal goal to foster a worldwide appreciation and understanding for good design practices and principles, the awards aspire to motivate designers, firms, and brands globally to create projects that align with the well-being of society.
