/EINPresswire.com/ -- The [Mortgage Calculator](#) is a correspondent lender

specializing in Non-QM and investment

loans. As of September 2023, The Mortgage Calculator boasts a roster of over 400 [Mortgage Loan Originators](#) nationwide. Loan Officers are flocking to the new lender due to a combination of leads and technology that is not provided at any other company. In addition to the tools provided, the company pays loan officers up to 250bps which is well above industry standard.

“

We came from a marketing background before we got into mortgages, so our company is built on leads and lead generation”

Nicholas Hiersche - President

The Mortgage Calculator built its own custom proprietary technology including a custom website, digital 1003 application, CRM, auto dialer, quoting system, and point of sale system. These tools and leads can instantly grow a loan officer's production and inject new borrowers into their sales cycle. Loan officers who [join](#) The Mortgage Calculator are provided with a constant stream of leads. With the founders of the company being lead generation

experts, the leads provided are some of the best in the business. "We came from a marketing background before we got into mortgages, so our company is built on leads and lead generation" says Nicholas Hiersche, the President of the company.

As a correspondent lender, The Mortgage Calculator has amazing rates and pricing that beats mortgage brokers pricing. Loan Officers have access to over 5,000 loan programs including Conventional, Non-QM, DSCR, Commercial, Fix and Flip and more! Mortgage Calculator loan officers are provided with training multiple days per week in the form of live training webinars to empower Loan Officers with the information needed to be an effective loan consultant to clients. With The Mortgage Calculator, Loan Officers have all of the pieces of the puzzle to be successful, they just have to put in the work to put them together and turn them into closed loans!
