In recent years, gig workers across sectors have been grappling with the escalating costs of Workers Compensation. This issue is particularly acute in the transportation industry, where many independent contractors have been forced to pay exorbitant premiums. Gig Worker Solutions has emerged as an industry game-changer, offering true Workers Compensation and a suite of affordable benefits tailored to the needs of gig economy workers.

James M. Obregon, President of Workforce Insurance Underwriters, spoke enthusiastically about the partnership: "Our alliance with Gig Worker Solutions is a transformative step towards providing our clients, particularly small Motor Carriers and their Owner Operators, with insurance solutions that offer exceptional value and peace of mind."

Echoing this sentiment, Ryan Leggett, CEO of Gig Worker Solutions, noted: "Our platform is designed to bridge the benefits divide for gig economy workers. Partnering with Workforce

Insurance Underwriters enables us to significantly broaden our reach and offer genuine Workers Compensation to a sector disproportionately burdened by rising insurance costs."
